April 8, 2014

TO: Mayor Dennis and Board of Works Members  
FROM: David A. Downey, Street Commissioner  
RE: Request for Joint Road Salt Purchase and Joint Traffic Paint Purchase with City of Lafayette

The Street Department would like to request approval to join the City of Lafayette in a joint purchase for road salt through the State of Indiana road salt bid for the 2014-2015 winter season. The department would be purchasing approximately 1,760-2,640 tons of road salt.

The Street Department would also like to request approval to join the City of Lafayette in a joint purchase for traffic paint and traffic beads for 2014. The department would be purchasing approximately 700 gallons of white traffic paint, 1,700 gallons of yellow traffic paint and 6,000 pounds of traffic beads.

Your approval would be greatly appreciated.
